Chapter 1 by Alice Marie Bride

*An Elfen maiden waits,
Hair spilling over her golden clad bosom,
An Elfen maiden waits,
Looking for her forever-prince,
An Elfen maiden waits,
Singing to the trees,
An Elfen Maiden waits,
Smelling the breeze.
An Elfen Maiden waits,
Noble head held high,
An Elfen maiden waits,
In her castle in the sky,
An Elfen maiden waits,
And waits for her lover.*

Chapter 2 by -

*An Elfen maiden waits,
Looking towards the sky,
An Elfen maiden waits,
But no one arrives.
An Elfen maiden waits,*

For what will never be.
An Elfen maiden waits,
And will wait forever.

Chapter 3 by TraderVic12

An Elfen maiden waits
You're running through her head
An Elfen maiden waits
It's here her heart you led
An Elfen maiden waits
You're keeping her awake
An Elfen maiden waits
You're stealing her away
An Elfen maiden waits
Her touch your heart will calm
An Elfen maiden waits
She's hidden in your palm
An Elfen maiden waits
Her smile like summer charm

Chapter 4 by TraderVic12

An Elfen maiden waits
Her song like springtime bloom
An Elfen maiden waits
The garden is her loom
An Elfen maiden waits
Lies in a florid lea
An Elfen maiden waits
Sails though the cloudless sea

An Elfen maiden waits
Behind a gale of brass
An Elfen maiden waits
Her ankles in tall grass
An Elfen maiden waits

Will you find her at last

Chapter 5 by TraderVic12

An elfen maiden waits

To join you is her wish

An elfen maiden waits

You locked her with one kiss

An elfen maiden waits

You unbuttoned her heart

An Elfen maiden waits

She takes your love apart

An elfen maiden waits

Obeys at your behest

An Elfen maiden waits

Unstrap her velvet breast

An Elfen maiden waits

With you she finds no rest

Chapter 6 by Fay Sojourner

An Elfen maiden waits

As you hold her to your breast

An Elfen maiden waits

For you, elf prince, she loves best

An Elfen maiden waits

Forever in your mind

An Elfen maiden waits

Until the end of time

An Elfen maiden waits

Hearing the sparrows in the air

An Elfen maiden waits

She runs her fingers through you

An Elfen maiden waits

She says, "I love you"

You, yourself, say, "And I unto you,"
An Elfen maiden waits
Hearing the song of the sparrows
An Elfen maiden waits
And finally knows
An Elfen maiden waits
You will never let her go
An Elfen maiden waits
Thus, she will never let you go

Chapter 7 by TraderVic12

An Elfen maiden waits
Her song like springtime bloom
An Elfen maiden waits
The garden is her loom
An elfen maiden waits
Behind a flower wall
An elfen maiden waits
Snow, summer, spring or fall
An Elfen maiden waits
Her heart skipped once you came
An Elfen maiden waits
You left her heart untamed
An elfen maiden waits
For you to say her name

Chapter 8 by TraderVic12

An Elfen maiden waits
Frozen in cold restrains

An Elfen maiden waits
Pierce down her icy chains
An Elfen maiden waits
Melt down the shoals she
An Elfen maiden waits

Rub off tears from her eyes
An Elfen maiden waits
No words you need to say
An Elfen maiden waits
Your warm gaze like sunrays
An Elfen maiden says:
'Kiss me and take me away.'
